**Blue Valley**  
English School  
(CBSE PATTERN)

Blue Mountain  
Pre - School

The Proposed School Building Will Be Well Equipped with airy class rooms, Library, computer room, indoor equipments for children. Plenty numbers of Washroom for Boys and Girls separately and provision for purified drinking water

माझ्या स्कूल काढण्याच्या स्वर्ज पुर्तीच्या दिशेने पहिले पाऊल म्हणजे ब्लू माउटेन व ब्लू व्हॅली इंग्लिश स्कूल.

लहान मुलांकरीता गावात स्कूल काढण्याच स्वर्ज.....तेही बिडकीन येथे .....कारण बिडकीने हे आमच गंव व माझे सासरे स्व. मोतीलालजी तोतला यांची समाजातील बांधवांना उत्तम भवितव्या करिता काम करण्याची शिकवण व धडपड होती.

ही स्कूल काढण्यामार्गील मुख्य हेतु म्हणजे गावातील मुलांना उत्तम शिक्षणाकरीता आता शहरामध्ये जाण्याची आवश्यकता भासणार नाही. शहरातील सुविधा व शिक्षण हे आता येथेच उपलब्ध होईल.

लहान मुले मातीच्या गोळयासारखी असतात. हया वयाताच आपण त्यांना हवा तो आकार देऊ शकतो. त्यांचा मानसिक व शारिरीक विकास हया वयातच घडवला जातो.

प्रत्येक मुल वेगळा आहे व त्यांच्यामध्ये असाधारण विशेष काही आहे. ही माझी धारणा आहे. व त्यामुळे आपण प्रत्येक मुलातील विशेषता कायम राहावी व त्यांना योग्य मार्गदर्शनाखाली शिक्षण देण्यासाठी आम्ही प्रतिबद्ध आहोत.

परिपूर्ण शिक्षण म्हणजे मुलांचा सर्वांगीण विकास. आत्मविश्वास, अनुशासन व निर्णय क्षमता असणारी मुल जगात कुठेही यशस्वी होऊ शकतात आणि हे गुण मुलांत रुजवण्यास आम्ही तत्पर आहोत.

आपल्या सर्वांच्या आशिर्वादाने व सहकाऱ्याने मी माझे स्वर्ज सत्यात उतरवू शकले व पुढेही आपले सहकार्य लाभेल आशी आशा व्यक्त करते.

धन्यवाद !

आपली विश्वासु  
सौ. सविता तोतला

## FROM THE DESK OF DIRECTOR

Dream....

Indeed dream is something which won't let you sleep until and unless you put your first step in direction of achieving it. It was my dream to impart education in rural areas.... to open a school in Bidkin.... choose Bidkin because my father in law late. Shri Motilalji Totala served in this field for many years with sheer determination and passion. His this dedication for the betterment of society was then embraced by me which led to the formation of Blue Mountain Pre-School and Blue Valley English School in Bidkin, that prevents the small kids from migrating / traveling to city for better education.

We live today in a world that is so very different from the one we grow up in, the one we were educated in. World today changing at such an accelerated rate and we as educators need to reflect on this entire education system. Is our school well equipped to prepare our children to face the challenges that future holds ? Is our teaching pattern well enough to retain the uniqueness of each student and at the same time to ignite creativity within ? Questions such as these are factors that motivate us to go through a continuous process of reflection and self - introspection and thereby we work at implementing a well balance curriculum to insure that our students who walk into the portals of our school will not just have academic and disciplinary achievements but also be prepared to face life's challenges. Thus (executing) what was said by Margaret Mead "Children Must be taught how to think, not what to think".

Aristotle once said "Educating mind without educating heart is no education at all". School is committed to organising various development programs that will impact ethical values of honesty, integrity, politeness and kindness in our students thereby transforming them into a sensitive and responsible citizen of future.

We are blessed to have committed management, dedicated teachers, caring and co-operative parents which blend harmoniously to create a child centric school.

Last but not least, I invite all of you to be a part of this family that aims at overall development of a child.

Thanks & Regards  
Mrs. Savita Totala

## **OUR MISSION**

The Blue Mountain pre school & Blue valley English School prepares students to understand, contribute to and succeed in rapidly changing society. We will insure that our students are developed both the skills that sound education provide and competencies essential for success in the emerging creative world. The school system will provide all students with safe and nurturing environment.

Our teaching practices are both reflective and responsive to the needs of our students. Our school provides safe haven where every student is valued and respected. All staff members in partnership with parents are fully committed to the overall development of students. Students are empowered to meet current and future challenges to develop social awareness, civic responsibility and personal growth.

## **OUR VISION**

Our vision at Blue Mountain pre school & Blue valley English School is to empower students to acquire, demonstrate & value knowledge and skill that will support them, as life long learners to participate and contribute to the global world and also practice the core value of school that is strong ethical values of integrity, politeness, kindness and respect to elders and excellence in education.

We will provided platform to each every student so as to foster their confidence and improve there decision making ability.

## **OUR AIMS IN BRIEF**

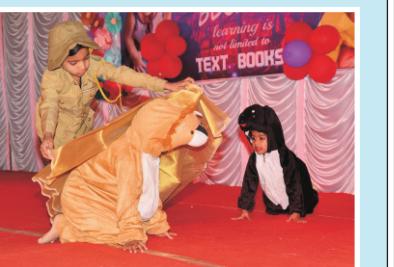

1. we seek to develop the individual strengths of each child at our school, and we are committed to preserving a small school where each unique personality can be recognised and valued.
2. We aim to foster in pupils of every ability of real sense of purpose, so that their individual gifts may be put to good use in the long years after school. Good teachers inspire a child with a love of learning that endures long after specific facts are forgotten.

# Why Blue Mountain Pre-School & ? Blue Valley English School

- The Children here are joyfully & Eager to come to school.
- This shows the homely atmosphere and compassion they are getting here.
- Children fill free to share there thoughts and queries with their teachers and staff.
- They learn to help each other. They come forwards to participate in all developmental activities which help them to improve their confidence level. We are not only focusing on the writing but also we focus on rhyme, phonics and their conceptual learning.
- We have well trained teaching staff for conducting various academic and developmental activities.
- This helps to boost the confidence in students and impart necessary skills which prepare them to face the new challenges and succeed in competitive world.

- Our annual gathering have been grand success in last two year of our school. It was unique program for each and every child. They participated either in dance or puppet show or small acts ( Based on Stories) and Singing.
- Children's were with full of enthusiasm and cheerfulness making parents and staff stunned.
- Every child had shown his unique presence through his confidence.

- Cultural programs cultivate moral values, ethics & social activeness in the child .
- They can learn about our history and culture in a playful manner.
- Activity based learning teaches them to participate, observe and absorb leadership and teamwork.
- Thus different activities and concept clearing programs practical base learning are proving to be unique and learning with fun.
- This knowledge giving programs are the part of Blue mountain & Blue valley English School.
